

- Build up a town on your ship
- Real life weather affects your town
for example: its Raining and you need to store the water
or its sunny and you need to save water

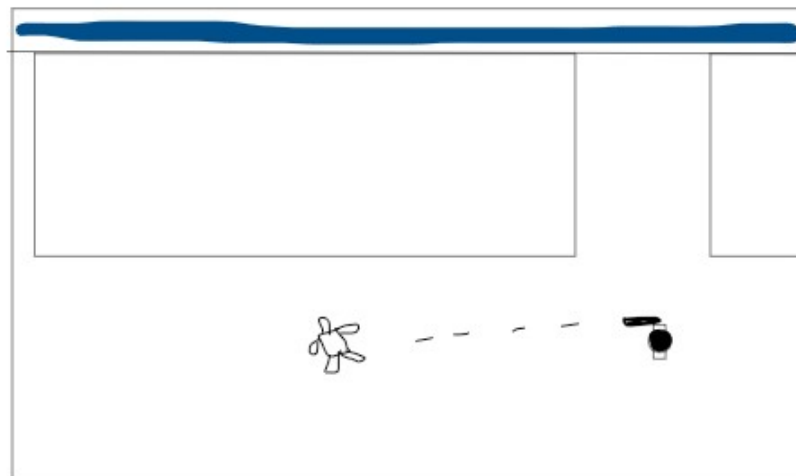

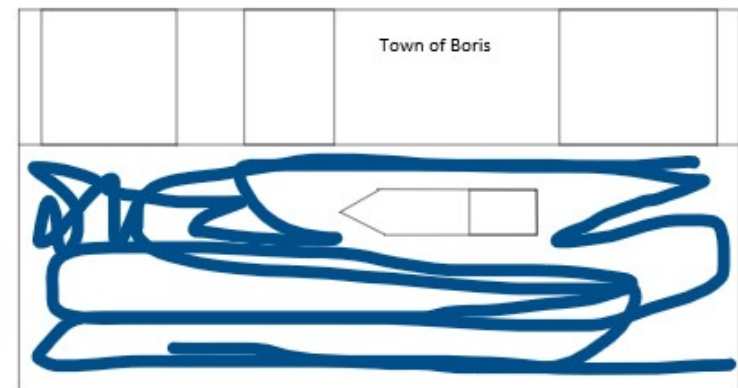

Look at your buildings
and socialize with your
citizens

Player Character

Look at players in your area. Send a boat to them and ask them
to visit their ship to trade

Unite with other Players to Guilds.
For example: Found a trade guild or a pirate gang

Raid other ships to steal their goods. But your number of raids will be
marked on your profile
