

Spaceship

Sonntag, 15. Mai 2022

10:15

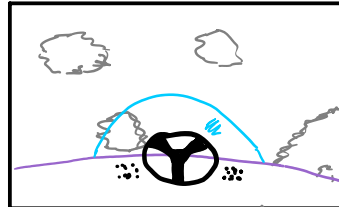

Engineer

keep the ship working

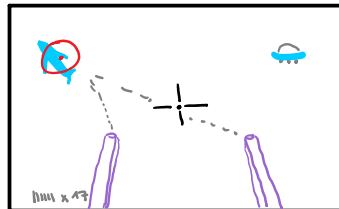

Pilot

navigate through obstacles

Shooter

defend the ship

3 players work together to keep spaceship flying as long as possible

after a game: (you were PILOT in this case)

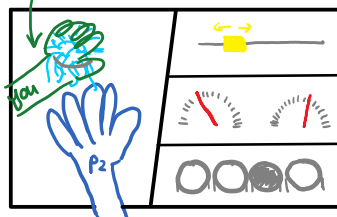

remember players you enjoyed playing with
→ get matched if they are online

playing with a friend:

support them in their tasks ⇒ team survives longer

limited? amount of "helps" raises when playing together longer
